There is talk of starting a Democratic paper in Hoxie.

The papers are throwing pretty bouquets at Grace L. Snyder of Cawker City, who was recently appointed member of the state board of education. The honor will meet with general approval of the Sixth district. And she must be a pretty fair politi-cian, too, from the fact that few knew she was an aspirant for a guberna-

Hiawatha, Kan., March 19.—The county clerk wrangle was settled here at the adjourned session of the district court, Miss Campbell, Republican, being declared elected by one vote. Miss Campbell was elected at the November election by a majority the second of the country to the of sixteen votes, according to the count of the county commissioners, and John Mathewson, Democrat, contested and the contest board gave him the election by two votes. The attor-neys for Miss Campbell then carried her case to the district court and endeavored to secure a temporary re-straining order to keep her opponent from taking the office. This was de-nied, and Mr. Mathewson took charge

This early there are prospects for a lively building in Smith Center and Smith county, and this, too, in the midst of a Democratic administration. One builder and contractor has already signed up contracts for buildings aggregating \$80,000, and the work hasn't started. John Harwood and Ed Stevens will each erect brick business buildings.

M. Williams, a member. It is planned to discontinue striving for improvements too big for the community to properly handle, thereby stopping misdirected effort. Intensive farming will then be advocated among the farmers as the best attraction available for colonization. An approved system of marketing will also be established that will be adequate to handle all farm products raised in this section. Garden City merchants are noted for pulling together and it is thought the merits of the plan will be fully developed.

Jetmore, Kan., March 19.—Considerable agitation has developed here recently for city fire protection and a municipal light plant. Advocates of both improvements argue that the same power that is used to afford power protection could be used for operating a light plant. The \$20,000 Hodgeman county high school building was lost by fire here last fall because of lack of protection. The loss was keenly felt and it is thought the lesson learned will result in the inlesson learned will result in the in-stallation of fire fighting equipment

Pasture Prices Higher.

Cottonwood Falls, Kan., March 19 Cottonwood Falls, Kan., March 19.

—Chase county stockmen are already preparing for the opening of the grazing season here. From \$7 to \$7.75 per head for the grazing season are the general prices at which pastures are being leased as compared with \$6.50 to about \$7 a year ago. According to local shippers, most of the grazing land in this vicinity has already been contracted for and, notwithstanding the advance in rent, the demand for it seems to be good.

Cause for Alarm

Loss of appetite or distress after eating—a symptom that should not be disregarded.

It is not what you eat but what you digest and assimilate that does you good. Some of the strongest, healthiest persons are moderate eaters. Nothing will cause more trouble than a disordered stomach, and many people contract serious maladies through disregard or abuse of the stomach.

We urge all who suffer from indi-gestion, or dyspepsia, to try Rerall Dyspepsia Tablets, with the under-standing that we will refund the money paid us without question or formality, if after use you are not perfectly satisfied with results.

We recommend Rexall Dyspepsia.

Tablets to customers every day, and have yet to hear of one who has not been benefited. We believe them to be without equal. They give prompt relief, aiding to neutralise acidity, stimulate flow of gastric juice, strengthen the digestive organs, and thus promote perfect nutrition and correct unhealthy symptoms. Three sizes, 25 cents, 50 cents, and \$1.

The above label is an absolute guarantee of any article on which it appears

for shortening because it makes pastry rich without the least suggestion of greasiness. It also

makes it light, crisp and digestible. In addition to giving better results, Cottolene is cheaper than butter, more economical than lard. Two-thirds of a pound of Cottolene will go as far as a full pound of butter or lard, and Cottolene is usually as cheap as or cheaper than lard.

Buy a pail of Cottolene today, try this recipe, and let "hubby" render the verdict when he tries the food.

THE N. K. FAIRBANK COMPANY

Cream three tablespoons Cottolene, add scant cup of sugar, 3 yolks of eggs well beaten with one white, stir in one cupful of freshly mashed potatoes and ½ cup of milk. Sift 2½ cups flour with 3 teaspoons baking powder, ½ teaspoon each of salt and ground mace, also a little nutmeg, and add to first mixture, working in additional flour as necessary to handle lightly. Roll and cut all doughnuts before frying. Fry in hot Cottolene 3 inches deep in kettle, testing the temperature with piece of bread.
